

Affordable Dental Care Options

If you don't qualify for government financial assistance programs and are looking for affordable dental care, try asking local dental offices if they offer a payment plan.

The agencies listed below may also be able to assist you. Please call to get more details about the services they offer and to ask if they are accepting new clients.

Southern Ontario Dental College, Ancaster: 905-304-4706

Website: www.georgebrown.ca/wave/dentalclinic/

This list is for reference only. Halton Region does not endorse, recommend, nor monitor the services offered by any of these agencies.

In the case of a dental emergency involving pain with swelling and/or fever, you should:

- consult a family doctor or a walk-in clinic and ask if they could provide an emergency exam, or
- seek assistance at a local hospital emergency department.
