HIPPYHALTON.ORG

### WHAT IS IT?

A free preschool program for qualified families in Oakville, Milton, and Burlington.

### HOW DOES IT WORK?

Trained home visitors give weekly support and training on how to prepare your children for success in Kindergarten and beyond.

## Support for Newcomers and families

### SMART Program

The SMART Program is designed for children ages 18 months - 2 years.

- Weekly in-home or virtual support and training with a Home Visitor
- Free materials, including books, and educational toys
- Pre-school group events to learn social skills and expectations
- Group meetings to develop parenting skills and build families' community network
- Newcomer support to help reduce language and cultural barriers

## About

### HIPPY Halton

HIPPY is a free preschool program for qualified families in Oakville, Milton, and Burlington.

We connect parents with trained Home Visitors who will give you weekly support and training on how to prepare your children for success in Kindergarten and beyond.

The 30-week program is based on children's literature with all the materials, activities, and tools provided to you by HIPPY Halton

[Get Started](#)

### Children will learn:

- Early literacy: letter recognition and reading skills, writing skills through fine motor development
- Early math concepts, including numeracy and patterning
- Self-Expression
- Cognitive Skills
- Gross Motor Skills
