services to the families we serve.

00:00 / 01:14

Safetynet believes that assisting children and youth with their educational needs is key to breaking the cycle of poverty.

Through the use of volunteers, Safetynet provides **free tutoring** to children and youth experiencing difficulties with their schoolwork.

Where does tutoring take place?

Tutoring takes place at our new, dedicated Tutoring Centre at 550 Bronte Rd. Oakville and is provided one-to-one with each student.
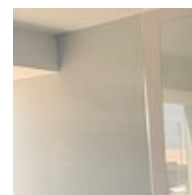

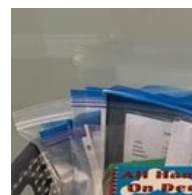

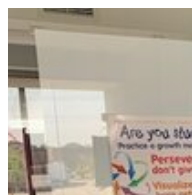

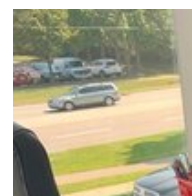

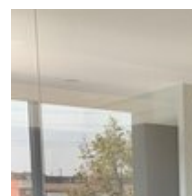

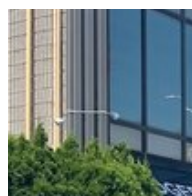

In-person tutoring hours are Mon & Wed 4:30-6:30pm, Sat 9:30-1:30.

An online option is also offered.

Watch the video to learn more about our Tutoring and Music program!

How do I register my child for tutoring services?

Safetynet's tutoring program is open to families who are registered with Safetynet. Our program is currently full for Fall 2022. Please check back here for any updates if spots become available.

How do I volunteer to be a tutor?

Thank you so much for your interest in joining our team as a tutor. Our program is now full so we are no longer taking applications for tutoring but there are volunteer opportunities available in our clothing bank. If you are interested, you can contact Bill Shields at info@safetynetservices.ca

Click the 'Apply to be a Tutor' button below to complete our application form.

Have a question about the program?

Click the 'Contact Tutoring' button and we'll help you out. You can also donate gift cards for supplies and snacks. Click here for details.
